1. Selection of Products

Ed Tech JPA Board of Directors seeks to develop and issue procurements that offer the greatest potential benefit for our Associate and Founding Members (“Members”). New procurements will be determined by the Board with consideration for:

- Continuity of JPA Services - Ed Tech JPA will consider expiration of current JPA contracts in planning procurement to ensure continuity of services that our Members rely on.
- Member Need - Ed Tech JPA will prioritize procurement for categories of products that are in widespread use across educational agencies.
- Bid Limit - Ed Tech JPA will prioritize procurement for categories of products that are likely to trigger bid limit constraints for our Members.
- Procurement Capacity - Ed Tech JPA will evaluate the capacity of Founding Member agencies to draft and oversee the procurement process for the specific services or products requested.
- Member Requests - Ed Tech JPA will consider direct requests for procurement submitted by existing and prospective Members in the determination of upcoming procurements.

Each Request for Proposals or solicitation issued by the Ed Tech JPA will be agendaized and approved by Ed Tech JPA Board at a public meeting prior to posting (sample Resolution in *Exhibit A*).

2. RFP Development

The Ed Tech JPA will develop and maintain a Request for Proposals (RFP) template. The RFP template will be reviewed and approved by the Ed Tech JPA General Counsel. The template may be updated on an as-needed basis. The Founding Member agency sponsoring the RFP (“Sponsoring Member”) will identify subject matter experts to provide input into the product/services-specific criteria for inclusion in the RFP document. The subject matter experts will identify essential requirements in each RFP that will define the minimum qualifications for Vendors wishing to be considered for award (“Essential Requirements”). Subject matter experts may also identify supplemental criteria that members may evaluate to determine which product(s) and service(s) best meet their needs (“Supplemental Criteria”). The final RFP document will be reviewed by a Board-designated procurement specialist prior to posting.

3. Board Approval of RFP Process and Criteria

The Ed Tech JPA Board will conduct regular Board meetings wherein it will review any potential Requests for Proposals (RFPs) for products that may be beneficial to Ed Tech

JPA Members. Upon the determination that a RFP will be issued the criteria for scoring the RFP shall be determined. The Board shall approve the RFP Process and Criteria by Resolution (sample Resolution in *Exhibit A*). Board approval must be obtained prior to the issuance of a RFP.

4. RFP Process

When a RFP is ready for release Ed Tech JPA shall schedule the publication of a Notice Calling for Proposals ("Notice") with a local newspaper of general circulation within Orange County, California, the location of Ed Tech JPA's procurement office. The Notice shall be published at least once a week for two weeks. The RFP, in addition to other documents and information relating to the RFP, shall be posted on Ed Tech JPA's website.

A Pre-Proposal Conference may be held, upon Ed Tech JPA's determination. Information regarding any planned Pre-Proposal Conferences shall be included in the Notice and on Ed Tech JPA's website. During the Pre-Proposal Conference vendors may ask questions about the RFP Requirements, RFP Process, and miscellaneous questions pertaining to the RFP. Ed Tech JPA will endeavor to answer all vendor questions at the conference, and shall obtain any additional information subsequent to the conference. A Request for Information ("RFI") containing all questions and answers from the Pre-Proposal Conference, and any additional information obtained subsequent to the conference, shall be published on Ed Tech JPA's website after the Pre-Proposal Conference.

Vendors may submit additional questions during the RFI period outlined in the RFP. Ed Tech JPA will publish all Vendor questions and Ed Tech JPA's response no later than the RFI Response Deadline listed in the RFP. All communications between Vendors and Ed Tech JPA must be through the Ed Tech JPA approved representative.

Amendments to the RFP must be issued and posted on Ed Tech JPA's website no later than 5 days prior to the RFP closing date.

Responses to the RFP ("Proposals") must be received no later than the date and time listed in the RFP.

5. Selection of Finalists

Ed Tech JPA staff will review Proposals and identify if the Essential Requirements outlined in the RFP have been met. For any Essential Requirement responses wherein Vendor deviates from the specifications, and/or that the team scoring the Proposal would like additional information, Ed Tech JPA may contact the Vendor with Clarifying Questions to further determine if the Vendor is in compliance with Essential Requirements. Ed Tech JPA staff will complete a Scoring Sheet outlining which sections of the RFP each Vendor has met the Essential Requirements. A Vendor may qualify for

a Master Contract for some sections of the RFP and not others, depending on the RFP criteria and the Vendor's score. If it is determined that a partial award and Master Contract shall be granted an indication shall be made on Ed Tech JPA's website notifying Members that a partial award was made, and that Members may refer to the RFP documentation for more information.

Vendors may opt to take exception to one or more Ed Tech JPA requirements. Such exceptions may be discussed at the Board Meeting wherein the RFP award(s) is/are issued, and the Board may determine whether to award to the Vendor and establish a Master Contract. Awards are made to Vendors contingent upon successful contract negotiation, and exceptions may also be reviewed and approved or denied by Ed Tech JPA's general counsel before or after Board Award.

6. Contract Negotiations

Ed Tech JPA will discuss Master Agreement terms directly with prevailing Vendor(s). Contract negotiations may begin during the RFP Request for Clarification process or after Board Award. The Master Agreement will be issued after all terms have been agreed upon by Ed Tech JPA and Vendor.

Ed Tech JPA must approve any changes to the terms within the Master Agreement. Such changes will be highlighted in an Addendum to the Master Agreement as executed by an authorized representative of both Vendor and Ed Tech JPA.

7. Award (board templates & procedures)

Ed Tech JPA shall award to all Vendors who meet the Essential Criteria ("Qualifying Vendors"). Upon completion of the scoring sheet Ed Tech JPA shall present to the governing Board the desired award(s) of the RFP. The Board shall review the scoring sheet and declare prevailing Vendor(s) through Board Resolution (*Exhibit B*).

Awards are made contingent upon successful contract negotiation. Exceptions to the RFP terms and/or requested changes to contract terms may be approved or denied by Ed Tech JPA and/or Ed Tech JPA's general counsel before or after Board Award. If Vendor and Ed Tech JPA cannot agree to suitable contract terms Ed Tech JPA may rescind its award to Vendor.

Board approval must be obtained prior to the execution of a Master Agreement and availability of the product(s) to Members. Members shall make their own determination regarding which vendor(s) they shall enter into a Purchase Agreement(s) with, if any.

8. Availability to Associate Members

Following execution of a Master Agreement the Vendor name and product(s) shall be listed on the Ed Tech JPA website. The RFP, Proposal (with any vendor-requested redactions), RFP supporting documentation, a fully executed Master Agreement, a California Student Data Privacy Agreement, and a partially completed Purchase Agreement (“RFP Documents”) shall be posed on the Ed Tech JPA website. The webpage with all RFP Documents may be password protected and available only to active Members of Ed Tech JPA.

Ed Tech JPA may promote Membership and access to Master Agreements by participating in conferences, trade shows, discussing membership in person and in online forums, emailing, calling, and any other means Ed Tech JPA determines is an effective way to communicate the benefits of Ed Tech JPA membership to Eligible Entities.

9. Associate Members Procurement Process

School Districts and other eligible entities may elect to leverage Master Agreements after becoming Associate Members of Ed Tech JPA. Eligible entities may obtain approval by their governing boards, if applicable, to become an Associate Member and to execute the Associate Member Agreement (*Exhibit C*).

Associate Membership for public school districts and/or County Offices of Education shall become effective upon approval by the governing board, if applicable, and execution by a duly authorized representative, and shall be ratified at the following Ed Tech JPA Regular Board Meeting. Associate Membership for Eligible entities that are not public school districts or County Offices of Education shall become effective upon approval of eligible entity’s governing board or authorized executive, as applicable, and Ed Tech JPA’s governing board, and execution by duly authorized representative.

Associate Members shall track their individual needs and interest in products. Associate Members may view products with available Master Agreements on Ed Tech JPA’s website. If an Associate Member has a need for a product offered in a Master Agreement the Associate Member may view the RFP, Proposal (with any vendor-requested redactions), RFP supporting documentation, a fully executed Master Agreement, a California Student Data Privacy Agreement, and a partially completed Purchase Agreement after signing in to the Members-Only section of the Ed Tech JPA website.

Associate Members should carry out their own due diligence to determine which vendor(s) best fits the unique needs of their organization, keeping price as the most highly weighted factor. Associate Members shall contact Vendors directly to obtain any additional information they desire and to determine an implementation schedule.

Associate Members should inform Vendors that they intend to utilize the Ed Tech JPA Master Agreement and establish a Purchase Agreement. Upon an Associate Member's determination that they would like to leverage a Master Agreement and enter into a Purchase Agreement it shall establish details directly with the Vendor and obtain approval from its governing board (*Exhibit D*). Associate Members shall be obligated to provide all fully executed Purchase Agreements to Ed Tech JPA, upon the request of Ed Tech JPA.

10. Payment and Reconciliation

Vendors shall be obligated to provide quarterly reports to Ed Tech JPA outlining all Purchase Agreements between Vendor and Ed Tech JPA Members and eligible entities, excluding renewals of agreements in place between Vendor and JPA Members prior to the establishment of the JPA Master Agreement. 2.1 Associate Member Status. The _____ [Entity Name] is hereby made an Associate Member of the Ed Tech JPA for all purposes of the Agreement and the Bylaws of the Ed Tech JPA, the provisions of which are hereby incorporated herein by reference. From and after the date of execution

and delivery of this Associate Membership Agreement by the Associate Member and the Ed Tech JPA, the Associate Member shall be and remain an Associate Member of the Ed Tech JPA.

2.2 Term. Membership shall be for one (1) year, and shall automatically renew from year to year, on the same terms and conditions as the prior term, unless terminated sooner by either party.

2.3 Fees. Ed TEch JPA may make reasonable charges for its services rendered to members as set forth below.

2.3.1 Administrative Fee. The Ed Tech JPA receives an administrative fee (the “Administrative Fee”) for each transaction, calculated as a small percentage of the gross invoiced amount (for some procurements a fixed fee applies) of any Purchase Agreement with Vendor. The administrative fee is used to cover overhead and administrative costs associated with conducting each product procurement and maintaining the JPA. Associate Member's payment to Vendors shall include the Administrative Fee for each executed Purchase Agreement, and Vendor shall deliver the Administrative Fee to Ed Tech JPA. Once a Purchase Agreement has been fully executed by the Associate Member and the Vendor, the Administrative Fee is non-refundable under any circumstances.

2.3.2 Membership Fee. Currently, there is no cost to Associate Member to join the Ed Tech JPA. The JPA reserves the right, and Associate Member acknowledges such reservation, to assess a fee, (“Membership Fee”) to its Associate Members at an undetermined future date. In such event, Associate Members shall be provided advance notice and be provided the opportunity to withdraw membership prior to assessment of the Membership Fee. Purchase Agreements executed prior to Associates Member’s withdrawal (if applicable), shall remain in effect through their natural termination and any extensions thereto, and the Administrative Fees associated with such Purchase Agreement(s) shall continue to be paid to Ed Tech JPA.

2.3.3 Audits. Ed Tech JPA will periodically audit Vendors, and Associate Members will cooperate in transaction reporting including, if requested, providing a copy of all executed Purchase Agreements to Ed Tech JPA within thirty (30) days of such request.

2.3.4 Product Research. Associate Member may browse products available for purchase and, if a suitable product is identified, Associate Member may enter into a Purchase Agreement directly with Vendor for that product. If a suitable product is not identified, Associate Members are free to solicit proposals and negotiated directly with a vendor not subject to a Master Agreement with the Ed Tech JPA.

2.3.5 Minimum Price. Associate Member acknowledges and agrees that the collective bargaining power of the Ed Tech JPA would be undermined if Associate Member used the terms and conditions obtained by the Ed Tech JPA to negotiate separately with Vendor for its own advantage. Associate Member agrees that it will not attempt to negotiate lower prices with a Vendor under contract with the JPA. Notwithstanding the foregoing, Associate Member is free to solicit proposals and negotiated directly with a vendor not subject to a Master Agreement with the Ed Tech JPA. Consistent with this goal, and in order to provide Associate Members with assurances regarding advantageous pricing by purchasing through the JPA, Vendors are requested to provide a Minimum Price Guarantee (MPG), whereby the Vendor will not to sell directly, or through a reseller, to Ed Tech JPA’s Eligible Entities (regardless of whether the Eligible Entity is an Associate Member of the Ed Tech JPA) for a lower price. The

requirements of this Section do not apply to contracts in existence prior to the establishment of a Master Agreement between Vendor and Ed Tech JPA.

2.4 Designated Representative. Associate Member shall appoint a Designated Representative to serve as the primary contact with Ed Tech JPA. The Designated Representative should be a member of the District's technology or business services department, or person with equivalent duties and background in education technology procurement. Associate Member will be provided a single sign-on to access to Ed Tech JPA product information. The Designated Representative will be the custodian of Associate Member's credentials and is responsible for account security. The Designated Representative shall be authorized by the District's governing board to conduct due diligence in product selection, and develop an Implementation Plan with Vendors. The Designated Representative shall obtain authority from the District's governing board to negotiate and execute Purchase Agreements with Vendors. Purchase Agreements shall only be made for the direct use of Associate Member and not on behalf of any third party.

2.5 Proprietary/Confidential Materials. Associate Member acknowledges that Proposals and other documents may contain proprietary and confidential information. Associate Member agrees to maintain documents in a responsible manner with security measures reflecting best practices. Associate Member shall not share Proposals and documentation that may contain proprietary and confidential information with third-parties without prior consent from the Vendor and/or Ed Tech JPA as applicable unless required to do so by law. In the event that a third-party requests confidential or proprietary information from Associate Member, Associate Member shall notify Vendor and/or Ed Tech JPA so that Vendor/Ed Tech JPA may assist Associate Member to redact proprietary information prior to disclosing the requested information.

2.6 Restrictions. An Associate Member shall not be entitled to representation on the Board of Directors or to vote on any matter coming before the Board of Directors or the Ed Tech JPA. However, an Associate Member shall be entitled to participate in all programs and other undertakings of the Ed Tech JPA.

2.7 Withdrawal. An Associate Member may withdraw from membership in the Ed Tech JPA upon thirty (30) days advance written notice to the Ed Tech JPA. No such withdrawal, however, shall relieve such Associate Member from its obligations under any outstanding Purchase Agreements relating to the Ed Tech JPA. Effective immediately upon withdrawal, Associate Members shall not have access Ed Tech JPA Master Agreements and other documentation, or be entitled to participate in the other programs of the JPA.

2.8 Independent Vendor Selection. Ed Tech JPA does not warrant that the products available will be suitable for the specific needs of individual members. Associate Member agrees to conduct its own due diligence in compliance with all applicable state and federal laws, as well as the requirements of Associate Member's local procurement rules and regulations. Associate Member is solely responsible for determining suitability of product and compliance with local, state and federal procurement rules prior to entering into Purchase Agreement.

2.9 Compliance with Laws. Ed Tech JPA's competitively bid Master Agreements follow bidding and procurement procedures established by the California Public Contract Code and the local body overseeing each respective Founding Member. Associate Member has access to all the contract documentation

prepared by Ed Tech JPA and is responsible for compliance with any additional or varying laws and regulations governing its purchases. Associate Member acknowledges that purchases made with federal funds may be subject to additional requirements. Associate Member is encouraged to seek approval from its own local agency(s) before entering into a Purchase Agreement with a Vendor.

Master Agreements are available to Associate Members "as is". Ed Tech JPA is under no obligation to revise the terms, conditions, scope, price, and/or any other conditions of the contract for the benefit of an Associate Member. Associate Members are permitted to negotiate directly with the Vendor and agree to additional terms and conditions that are separate from the base price.
