

**RFP No. 20/21-01 Identity Management Solution**  
**Addendum No. II**  
September 25, 2020

**Changes and Clarifications**

**Section 1.11.1** of the Request for Proposals is hereby amended to clarify that If the proposed Solution is in transition from a legacy product to a new solution, references for the legacy solution may be considered by the Ed Tech JPA. Vendors may include additional references outside of government agencies in the response to provide evidence that the new solution has been in productive use. If Vendors do not have K-12 or government references for the current, proposed products, vendors must provide evidence that the products in place in the government agencies are a parallel solution. Proposals that do not provide sufficient evidence of experience implement identity management solutions in a K-12 or government environment will be rejected. The Ed Tech JPA evaluation committee will review submitted references and make a decision based on vendor experience and confidence regarding Vendor's ability to meet essential criteria and other RFP requirements.
