

Addendum No. II
RFP No. 25/26-04 Web Design and Hosting and Notification Systems
 October 24, 2025

This addendum forms a part of the contract and modifies the original Request for Proposal documents. This addendum shall supersede all previously issued specifications, addenda and any other written or verbal direction. The modifications within this addendum shall be made part of the contract documents and shall be subject to all requirements thereto. **Vendors shall modify the following items wherever appearing in any portion of the Request for Proposal documents.**

Ed Tech JPA recognizes that the RFP due date coincided with a substantial Amazon Web Services outage that affected many vendors, and may have prevented completion or delivery of proposals. For that reason the due date shall be extended. Vendors that have already submitted may submit a revised proposal by the updated due date if they choose. If a revised proposal is not received by the updated due date, the originally received proposal will qualify as the official submission and will be evaluated.
