**Response to Proposers' Questions**

6.1 **Question:** Could you confirm where on this link ( <https://edtechjpa.org/procurement/current-procurements> ) we should look to find responses to vendor questions?

I've checked here ( <https://edtechjpa.org/rfp-no-2526-01-artificial-intelligence-platforms> ) as well but I think I am overlooking where they are posted.

**Answer:** RFIs are posted under the “Request for Proposal Documents” tab on the webpage located at <https://edtechjpa.org/rfp-no-2526-01-artificial-intelligence-platforms>. Click on the plus sign to expand the Request for Proposals Documents section. The Artificial Intelligence Platforms RFP webpage is listed on the <https://edtechjpa.org/procurement/current-procurements> webpage, which lists all current Ed Tech JPA procurements.
