

Request for Information No. VII
RFP No. 25/26-01 Artificial Intelligence Platforms
September 5, 2025

Response to Proposers' Questions

7.1 **Question:** I'm following up to check on the status of bid 25/26-01: Artificial Intelligence Platforms. Is there an expected award date? If so, could you share when that is and how the award will be released?

Answer: The projected award date is still on track for January 29, 2026. The projected date for the Intent to Award posting is still on track for December 16, 2025. For additional timeline information please see section 3.5 in the RFP and the website at <https://edtechjpa.org/rfp-no-2526-01-artificial-intelligence-platforms>.
