1.0 Background and Overview

1.1 Overview

The Ed Tech JPA, a California Joint Powers Authority (Ed Tech JPA), invites qualified, experienced vendors (Vendors) to submit responsive proposals (Responses, Proposals, or Proposal Forms) in compliance with the specifications contained in this Request for Proposals (RFP). This RFP is for professional learning management systems, although ancillary services may be included in the provision of these items. Installation services may be requested via this RFP. Selection for award(s), if any, will go to the Vendor(s) who submit Responses that Ed Tech JPA determines to be most advantageous to Ed Tech JPA and the entities it represents. **Products offered by the Vendor(s) selected for the award of a Master Agreement will be available for purchase by all California public agencies and public agencies outside of California who have verified that they are eligible to participate.**

In addition to reviewing proposals for Ed Tech JPA, the initiating agency, Irvine Unified School District, has an immediate need for the product. The initiating district will review proposals to determine a Vendor best suited to provide the product for its own needs and anticipates entering into a Purchase Agreement for the product following execution of the Master Agreement awarded pursuant to this RFP.

1.2 Joint Powers Authorities

Pursuant to the California Joint Exercise of Powers Act, a JPA may be created in California when two or more local government entities enter into an agreement to exercise jointly any power common to the contracting parties. JPAs are frequently used to aggregate expertise and purchasing power for procurement, as in the case of insurance or utilities services. JPAs can be given any of the powers inherent in the participating members, as specified in a joint powers agreement.

1.3 Ed Tech JPA

Ed Tech JPA is a JPA duly formed and existing under the California Joint Exercise of Powers Act. Ed Tech JPA was formed to aggregate purchasing power and expertise for public agencies. While Ed Tech JPA's focus is primarily California K-12 public schools, our membership has grown to include colleges and government agencies outside of California. This RFP is issued on behalf of Ed Tech JPA's membership. A list of current Ed Tech JPA members is available on the JPA's website: <https://edtechjpa.org/about/our-ed-tech-jpa-members>.

1.4 Requested Services

This solicitation is intended to provide a mechanism for Ed Tech JPA members ("Members") to procure new or upgraded software and services to support professional learning management systems. Members seek state-of-the-art professional learning management systems

(hereinafter referred to as “Product” or “Solution”) to meet the needs of varied facilities and programs, in a variety of environments. Ed Tech JPA is soliciting qualified service vendors, (hereinafter referred to as “Vendor”, “Contractor” or “Provider”) for a variety of solutions to meet its Members’ needs. Vendor shall submit a proposal for the purchase, implementation and ongoing services for a professional learning management system.

1.5 Eligible Entities and Participants

The pricing, terms, and conditions of any award pursuant to this RFP will be made available to current Ed Tech JPA members and to other “Eligible Entities” who elect to join the Ed Tech JPA. For purposes of this RFP, Eligible Entities are: (a) all California public school districts, county offices of education, and community college districts, and (b) any other public agency in the United States whose procurement rules, whether internal rules or rules enacted pursuant to statute, allow them to purchase goods or services through a procurement vehicle such as Ed Tech JPA.

For purposes of this RFP, a “Participant” is an Eligible Entity who chooses to purchase items through this RFP. Eligible Entities must first become Associate Members of the JPA by entering into an Associate Member Agreement, and thereafter may elect to become Participants of a Master Agreement by entering into a Purchase Agreement with a vendor. Founding Members of Ed Tech JPA may be a Participant without entering into an Associate Member Agreement.

Notwithstanding the purchase anticipated by the initiating district stated above, an award issued pursuant to this RFP does not represent an obligation by Ed Tech JPA, or by any Eligible Entity, to purchase items. Although a Master Agreement awarded under this RFP does not guarantee a particular level of sales as a result of that Master Agreement, Ed Tech JPA’s mission to meet the procurement needs of our program Participants indicates that a Vendor who is committed to this program will achieve success in its sales efforts.

1.6 Master Agreement

Pursuant to Public Contracts Code 20118.2 and Government Code 6500 and 6502, Ed Tech JPA (on behalf of membership) is issuing this RFP for the Product. Ed Tech JPA will evaluate proposals and all vendors that meet minimum criteria/score and agree to require terms will enter into a Master Agreement with Ed Tech JPA, setting forth the general terms for purchase of the Solution. A sample Master Agreement is attached in Appendix A.

After a Master Agreement has been established, the Vendor’s proposed product and services will be listed on the Ed Tech JPA website. Ed Tech JPA will also include procurement instructions and contract documentation for Founding Members and Associate Members on its website. Details of the procurement process and administrative fee payment will be provided to Vendor finalists upon award. All participating Vendors must comply with Members’ needs and Ed Tech JPA’s processes to ensure compatibility with all legal and regulatory requirements.

Each Participant is responsible for completing their own due diligence regarding the suitability of Vendor, including using price as a significant factor.

Awarded Vendors will work with Ed Tech JPA to negotiate a Purchase Agreement to be executed when a Participant elects to purchase the Solution. Prior to executing a Purchase Agreement with a Participant, Vendor will establish an implementation timeline and implementation plan specific to the Participant's needs, as further described in Section 2. An Eligible Entity is not bound to a purchase until it has obtained any necessary approval from its Board and executed a Purchase Agreement with the Vendor for the Solution.

Vendors must report to Ed Tech JPA any income directly or indirectly resulting from the sale of products included in the Master Agreement to Participants, for purchases made using Ed Tech JPA agreements and/or relying on this RFP excluding renewals of pre-existing contracts. Reports must be submitted for the Quarters and within the timeline outlined in section 1.14 of this RFP and in section 15.B. of the sample Master Agreement attached hereto as Appendix A. Vendors must remit a copy of all Purchase Agreements, including renewals and amendments, to Ed Tech JPA within 30 days of request by Ed Tech JPA. Vendors participating in this RFP agree to a standing audit by the Ed Tech JPA for all products included in the Master Agreement.

1.7 Period of Performance

The term of the Master Agreement resulting from this RFP shall be five (5) years. Purchase Agreements entered into by Participants and Vendor shall be subject to a maximum contract length of 5 years, or may be shorter, as the parties elect. The Master Agreement may be terminated by Ed Tech JPA for convenience after three years by the giving of notice of at least thirty (30) days before the expiration of the (3) year term.

The parties understand that Participants ordering Products pursuant to the Master Agreement may extend for multiple years after the Term of the Master Agreement. The expiration or termination of the Master Agreement shall not affect Vendor's obligation to deliver Products ordered by Participants prior to the expiration of the Master Agreement.

1.8 Reservation of Rights

Ed Tech JPA reserves the right to award all, none, or select portions of this RFP to one or multiple vendors. Ed Tech JPA reserves the right to negotiate terms and conditions of the RFP as necessary, to reject any or all proposals, to increase quantities, and to waive any irregularities or informalities in the RFP or in this process.

Ed Tech JPA reserves the right to modify the RFP documents, or any portion thereof, by the issuance of written addenda posted on the Ed Tech JPA website. In the event Ed Tech JPA shall modify any portion of the RFP documents pursuant to the foregoing, the proposal submitted by any Vendor shall be deemed to include any and all modifications reflected in any addenda issued.

Ed Tech JPA reserves the right to conduct a background inquiry of the selected Vendor(s) which may include collection of contractual and business associations and practices, employment histories and reputation in the business community. By submitting a proposal, Vendor consents to such an inquiry and agrees to make available such books and records deemed necessary to conduct the inquiry.

Ed Tech JPA reserves the right to award multiple Master Agreements for each classification of Products listed in this RFP as deemed to be in the best interest of Ed Tech JPA and its Members and has determined that awards to more than one Vendor for comparable goods and services at various prices may best meet the needs of Participants.

Ed Tech JPA shall have the right to negotiate any and all of the final terms and conditions of any agreement with Vendor and nothing in this RFP or any Response shall be deemed or construed as a limitation of such rights.

This RFP is solely a solicitation for Proposals. Neither this RFP, nor any response to this RFP shall be deemed or construed to: (i) create any contractual relationship between Ed Tech JPA and any Vendor; (ii) create any obligation for Ed Tech JPA or its Members to enter into a contract with any vendor or other party; or (iii) serve as the basis for a claim for reimbursement for costs associated with submittal of any Proposal.

PROVISIONS REQUIRED BY LAW: Vendor acknowledges that it has conducted and performed the required research to become aware and knowledgeable of all federal, state and local laws/statutes that are referenced herein, may pertain to and/or govern the procurement activities and transactions covered by this RFP. These provisions of law and any clause required by law that is associated with and relates to this RFP and any resulting contract will be read and enforced as though it were included herein.

1.9 Data Privacy Compliance

Vendor's Products and services must be fully compliant with all applicable requirements including all state and federal laws. If Vendor's Solution includes training, content, or is available to Members' students, Vendors will be required to execute the most recent version of the Standard Student Data Privacy Agreement CA-NDPA (CA-NDPA).

1.10 Indemnification

Vendor will indemnify, defend and hold harmless Ed Tech JPA, its agents, employees and assigns, including independent contractors, and any Participant contracting with Vendor (Indemnified Parties) from any and all claims, demands, suits, proceedings, loss, cost and damages of every kind and description, including any attorney's fees and/or litigation expenses, which might be brought or made against or incurred by Indemnified Parties on account of loss or damage to any property or for injuries to or death of any person, caused by, arising out of, or

contributed to, in whole or in part, by reasons of any act, omission, professional error, fault, mistake, or negligence of Vendor, its employees, agents, representatives, or subcontractors, their employees, agents, or representatives in connection with or incident to this RFP, or arising out of worker's compensation claims, unemployment compensation claims, or unemployment disability compensation claims of employees of the Vendor, and/or its subcontractors or claims under similar such laws or obligations. Vendor's obligation under this section will not extend to any liability caused by the sole negligence of Indemnified Parties.

1.11 Special Note on Vendor Pricing

Pricing proposed on a sliding scale, "menu" format, or varying by tiers is highly recommended and encouraged to provide Participants with purchasing options.

1.12 Ed Tech JPA Administrative Fee

Vendor agrees to pay Ed Tech JPA an administrative fee (the "Administrative Fee") calculated as four percent (4%) of the gross invoiced amount of any Purchase Agreement with Vendor based on an award under the RFP and all revenue derived directly from any Purchase Agreement, including any Additional Services, or agreement extensions or renewals. Vendors whose gross sales exceed two million dollars (\$2,000,000.00) each fiscal year may receive a discount and pay Administrative Fees as follows:

Sales Amount*	Administrative Fee**
\$2,000,000.00 - \$3,999,999.99	3.5%
\$4,000,000.00 and above	3%

*The fiscal year term is July 1 - June 30.

**Sales are the annual gross amount invoiced of any Participant Agreement with Vendor based on an award under the RFP and all revenue derived directly from any Participant Agreement, including any Additional Services, or agreement extensions or renewals.

***Any discounted Administrative Fee shall be applied to Sales in the quarter after the minimum threshold has been met. Discounted Administrative Fees shall revert to four percent (4%) after the minimum threshold is no longer met.

Computations of the Administrative Fee shall exclude state, local, or federal taxes levied on invoiced amounts. The Administrative Fee must be included when determining the pricing offered. The Administrative Fee is not negotiable and shall not be added as a separate line item on invoices. The Administrative Fee is not refundable to Participants or Vendors under any circumstances. In the event Ed Tech JPA's operating costs increase, the Administrative Fee is subject to increase to offset such increased costs. Vendors will be permitted to adjust Product pricing in direct proportion to such increase, as further explained in the Master Agreement. Vendors are not responsible for paying an Administrative Fee for purchases made by existing

customers that do not use the Ed Tech JPA contract in any manner and whose contracts do not rely on any competitive procurement performed by Ed Tech JPA.

1.13 Minimum Price Guarantee

To prevent underpricing and protect seller margin, Vendor's pricing shall be subject to a Minimum Price Guarantee (MPG), whereby, Vendor shall agree not to sell directly, or through a reseller, the Product(s) subject to the Master Agreement at a price lower than the price offered pursuant to the RFP and the Master Agreement to Ed Tech JPA's Eligible Entities located in California (regardless of whether the Eligible Entity is a Member of the Ed Tech JPA).

During the period of delivery under a contract resulting from this RFP, if the price of an item decreases, Ed Tech JPA Participants shall receive a corresponding decrease in prices on the balance of the deliveries for as long as the lower prices are in effect. Vendor agrees to amend the Master Agreement to reflect the decreased pricing. Ed Tech JPA Participants shall be given the benefit of any lower prices which may, for comparable quality and delivery, be given by the Vendor to any other school district or any other state, county, municipal or local government agency in a California county for the product(s) listed in the RFP. At no time shall the prices charged to Ed Tech JPA Participants exceed the prices under which the RFP was awarded.

1.14 Usage Reporting Requirement

Upon contract award pursuant to this RFP, all Vendors will be required to provide quarterly usage reports to Ed Tech JPA or designee. The initiation and submission of the quarterly reports are the responsibility of the Vendor. Ed Tech JPA is not required to provide prompting or notification. Vendor is responsible to collect and report all sales data including resellers and partners sales associated with the Master Agreement. Quarterly reports must coincide with the quarters in the fiscal year as outlined below:

Reporting Period	Due Date
January 1 - March 31	April 30
April 1 - June 30	July 31
July 1 - September 30	October 31
October 1 - December 31	January 31

Vendors must identify the person responsible for providing the mandatory usage reports. This contact information must be kept current during the Master Agreement period. Ed Tech JPA must be notified if the contact information changes.

The purpose of the Master Agreement usage-reporting requirement is to aid in Master Agreement management. The specific report content, scope, and formal requirements will be

provided to the awarded Vendors during Master Agreement execution. Failure to comply with this requirement may result in Master Agreement cancellation.

2.0 Purchase Agreements, Payments & Order Fulfillment

Ed Tech JPA will make the completed Purchase Agreement template available for Members. Sample Agreements are included in Appendix A.

2.2 Ordering Process

It is Ed Tech JPA's intent to make the procurement of products and services as easy as possible. The following outlines the process by which Participants may utilize Ed Tech JPA:

2.2.2 Members may browse products, review RFP Proposals on the Ed Tech JPA's website and conduct their own due diligence, using price as a significant factor, to determine which product best meets their unique needs. JPA Members may approach Vendors directly to request services. If a Member contacts Vendor directly, Vendor must provide a copy of the Purchase Agreement and refer Member to Ed Tech JPA's website.

2.2.3 The Participant shall have the opportunity to work with Vendor to determine the suitability of the product, and will provide Vendor with information regarding the Participant's existing software and hardware environment, the number of students/employees/users anticipated to use the Product and any other information necessary to establish an implementation plan. To enable the Participant to make a timely determination as to suitability, within fourteen (14) days of Participant's contact with Vendor, the selected Vendor shall provide the Participant with a project plan that details the proposed implementation approach and timeline for the product ("Implementation Plan"). The Implementation Plan shall, at a minimum, include infrastructure and data integration, testing, content creation, training and post-implementation support and project evaluation.

2.2.4 If the Participant elects to confirm the purchase, it shall obtain any required board approval, execute the Purchase Agreement including any required exhibits, issue a

2.3.2 Site Access and Work Hours

2.3.3 DOJ Clearance

All Vendor personnel working on any Participant site shall have attained the proper Department of Justice (DOJ) clearance as required by applicable laws and the Participant policy. Vendor must comply with this requirement and, upon request from Participant, must demonstrate this clearance for all personnel prior to being allowed onsite. Those who are not cleared may not be allowed on the project.

2.3.4 Interpretation of Plans and Documents

The interpretation of the plans, specifications, forms, and all project documentation shall be determined by Participant. It is Vendor's responsibility to verify existing conditions and assumptions. Vendor must verify all such information prior to executing a Purchase Agreement with Participant and issuance of a Purchase Order.

2.4. Subscription-based Licensing, Bundling, Additional Services

Purchases made pursuant to this RFP may include subscription-based licensing, product bundling, and training, maintenance and other additional services ("Additional Services") as determined between the Vendor and Participants. The cost of Additional Services not reflected

the Pricing Form in Appendix C. Costs not identified by the Vendor shall be borne by the Vendor and will not alter the requirements identified in this solicitation.

The person signing verifies that he/she is authorized to submit the proposal and bind Vendor to provide the products/services listed in the RFP, Proposal and any resulting Master Agreement and Purchase Agreement(s).

3.7 False and Misleading Statements

A Proposal which contains false or misleading statements, or which provides references which do not support an attribute or condition contended by Vendor, may be rejected if, in the opinion of Ed Tech JPA, such information was intended to mislead Ed Tech JPA in its evaluation of the Proposal, and the attribute, which is a condition or capability of a requirement of this RFP.

3.11 Public Records Act

All records, documents, drawings, plans, specifications and other materials submitted by Vendor in its proposal, during the procurement process, and during the course of any work awarded shall become the exclusive property of Ed Tech JPA and may be **deemed public records** and subject to the provisions of the California Public Records Act (Government Code, sections 6250 et seq.). Ed Tech JPA's use and disclosure of its records are governed by this Act. Ed Tech JPA will accept information clearly labeled "TRADE SECRET," "CONFIDENTIAL," or "PROPRIETARY" as determined by the submitting party in accordance with the Act. Ed Tech

JPA will endeavor to inform Vendor of any request for the disclosure of such information. Under no circumstances, however, will Ed Tech JPA be responsible or liable to Vendor or any other party for the disclosure of any such labeled information. Vendors that indiscriminately identify all or most of their proposal as exempt from disclosure without justification may, at Ed Tech JPA's discretion, be deemed non-responsive; and such information shall be deemed public records. Ed Tech JPA will not advise as to the nature or content of documents entitled to protection from disclosure under the California Public Records Act, including interpretations of the Act or the definitions of "Trade Secret," "Confidential" or "Proprietary", however pricing documents are not considered proprietary. If litigation is brought under the Public Records Act concerning documents submitted in response to this RFP, Vendor shall indemnify, defend and hold harmless Ed Tech JPA in such litigation. Ed Tech JPA reserves the right to withhold information for review by competitors until after it has completed its evaluation. Information marked as "Trade Secret," "Confidential" or "Proprietary" will be available to Ed Tech JPA Members through a member's-only webpage unless Vendor indicates that such information should not be available to Ed Tech JPA Members who are considering purchasing Product.

4.0 Evaluation and Award

4.1 General Information

Award will be made to the vendor(s) offering an advantageous proposal for a professional learning management system and related services. Ed Tech JPA shall not be obligated to accept the lowest priced proposal(s), but will make an award(s) in the best interest of its Members after all factors have been evaluated. Ed Tech JPA may make awards to multiple vendors. All proposals received in response to this RFP will receive a fair and impartial evaluation by the Ed Tech JPA. In conducting this evaluation, Ed Tech JPA and Members may obtain and use information, in addition to that contained in the proposals, from any source desired. Customers on each Vendor's reference list may be contacted, as may other customers selected by the Ed Tech JPA and listed by Vendor as a reference.

Ed Tech JPA shall make its evaluation in its sole discretion and its decision to award a Master Agreement(s) shall be final. Thereafter, Members electing to purchase Product pursuant to an awarded Master Agreement shall use their discretion in evaluating and selecting Product. The Public Contracts Code section 20118.2 shall guide both the Ed Tech JPA's evaluation of proposals and Master Agreement negotiations, as well as Eligible Entities' selection of vendor, and Purchase Agreement negotiations associated with this Request for Proposals. Vendors submitting Proposals must be located in either the United States or in a country where the General Data Protection Regulation (GDPR) governs and must perform the proposed Solution in either the United States or in a country where the General Data Protection Regulation (GDPR) governs. Vendors should note that some Members may have board policies and procedures that limit their ability to contract with agencies outside the United States.

Awards shall be made contingent upon successful contract negotiations as determined by Ed Tech JPA's sole discretion. Even after award Ed Tech JPA may or may not proceed in establishing contracts. Execution of contracts is solely at the discretion of Ed Tech JPA. In the event that Ed Tech JPA elects not to establish a contract with a previously awarded vendor Ed Tech JPA's governing board shall vote to revoke the award and the vendor shall be notified.

4.2 Requirements

Vendors must meet all of the essential requirements defined in this RFP, including compliance with performance, licensing requirements, ability to deliver specified services, conformance to the terms and conditions of this RFP, meeting mandatory system requirements, performance expectations, contract requirements and general terms. Vendors that do not meet the minimum requirements may be disqualified. All essential requirements in Attachment 1 shall be denoted in green and with two asterisks (**).

4.2.1 Permits and Licenses

Vendor and all of the Vendor's employees or agents shall secure and maintain in force such licenses and permits as are required by law, in connection with the furnishing of materials, articles, or services listed herein. ED TECH JPA MASTER AGREEMENT: 22/23-01 Professional Learning Management Platforms

This Master Agreement (“MA”), is made as of **DATE** (“Effective Date”), by and between the Education Technology Joint Powers Authority (“Ed Tech JPA”) and **[INSERT]** (“Vendor”).

BACKGROUND

A. Education Technology JPA is a Joint Powers Authority formed by California public agencies pursuant to California Government Code Sections 6500-6536. Ed Tech JPA aggregates purchasing power and expertise for its members (“Members”).

B. Ed Tech JPA establishes its contracts for products and services through the following process:

1. On October 31, 2022, Ed Tech JPA issued a Request for Proposal for Professional Learning Management Platforms (the “RFP”) on behalf of Members. Ed Tech JPA invited qualified vendors to submit pricing products and services in response to the RFP.
2. Ed Tech JPA published the RFP on its website and in a local periodical:
3. Ed Tech JPA received one or more responses to the RFP. Ed Tech JPA evaluated all responses which complied with the terms of the RFP, using the following criteria: Functionality and Usability, Vendor Support and Ability to Perform, Price, and Technology Requirements.
4. Ed Tech JPA selected Vendor for an award under the RFP for Professional Learning Management Platforms and related services (“Products”). The parties are entering this Master Agreement (“MA”) to evidence the terms and conditions of that award.

AGREEMENT

Now, therefore, for good and valuable consideration, the parties agree as follows.

1. GRANT AND ACCEPTANCE OF AWARD

Ed Tech JPA awards this MA to Vendor under the RFP with respect to the Products at the prices listed in Exhibit A. Vendor accepts the award and confirms Vendor’s acceptance of all terms and conditions of the RFP, which are incorporated herein by this reference. The RFP, Vendor’s proposal in response to the RFP (“Vendor’s Proposal”), are incorporated herein by this reference. This MA includes the Products and pricing offered in Vendor’s Proposal, as identified in the RFP. Prices will remain valid for all Members through the expiration of the MA and for Members with an active Purchase Agreement with Vendor (“Participants”) through the expiration of any Purchase Agreements (“PA”) entered into directly between Vendor and Participants during the term of this MA.

2. TERM

The term of this MA (the "Term") shall commence on the Effective Date and shall expire after a period of five (5) years. The Agreement may be terminated by Ed Tech JPA or Vendor for convenience after three years by the giving of notice of at least thirty (30) days before the expiration of the (3) year term. The parties understand that Participants may order Products under this MA to be delivered after the Term of this MA; in some cases, Products may be delivered over multiple years after the Term. The expiration or termination of this MA shall not affect Vendor's obligation to deliver Products as ordered by Participants during the Term.

3. PARTICIPANTS

The pricing, terms, and conditions of this MA will be made available to Members and to other "Eligible Entities" who elect to become Members. Eligible Entities are all California public school districts, county offices of education, and community college districts, and any other public agency in the United States whose procurement rules, whether internal rules or rules enacted pursuant to statute, allow them to purchase Products through a procurement vehicle such as Ed Tech JPA..

Vendor acknowledges that each Participant is responsible for (a) completing their own due diligence regarding the suitability of Vendor and Products for Participant's needs, (b) entering into one or more PAs with Vendor to document the quantities, total fees, and delivery terms for Products, (c) and coordinating implementation of Products with Vendor.

Vendor is not under any contractual obligation to provide Products to Participants until such time as both a MA and a PA have been fully executed. The RFP was conducted for the limited purposes specified in the RFP. Ed Tech JPA does not provide assurance or warranty to Vendor or Participant with respect to other issues, including Participant's payments to Vendor. Ed Tech JPA will not assist in implementation or represent Vendor in the resolution of disputes with Participants.

4. PURCHASE AGREEMENTS

Members may browse products on the JPA website. Prior to executing a PA, Members will work with a Vendor representative to determine the Vendor implementation timeline and implementation plan ("Implementation Plan") as further described in the RFP. To confirm Participant's request to buy Products using the RFP, Participant and Vendor must complete and execute a PA for the specific Products. Vendor shall provide a copy of complete PAs to Ed Tech JPA within thirty (30) days of request by Ed Tech JPA.

The PA will contain a general description of the Products ordered, contact information for Vendor and Participant related to purchase and sale of the Products, and an acknowledgement that the purchase is subject to the terms of the RFP and this MA. Participant and Vendor may agree on contingencies, such as timing contingencies, applicable to delivery of Products.

Vendor will work directly with a Participant to fulfill the order according to the parties' agreed-upon implementation plan. Ed Tech JPA is not responsible to verify payment to Vendor.

5. PROGRAM PROMOTION

It is in the interest of both parties that Vendor will promote and support this MA using methods that best suit the Vendor's business model, organization, and market approach. Ed Tech JPA specifically desires Vendor to generate interest in the MA, and direct Eligible Entities who express an interest in making a purchase or renewing use of Products to use its MA as Vendor's preferred form of contracting.

Vendor may be asked to participate with Ed Tech JPA staff in related trade shows, product demonstrations, conferences, and online presentations to promote the MA. Ed Tech JPA will promote MAs through the creation of marketing materials, as well as active outreach to its Members.

Ed Tech JPA expects Vendor's field and internal sales forces will be trained and engaged in use of the MA for the duration of the contract term.

Ed Tech JPA may schedule periodic reviews with Vendor to evaluate Vendor's performance of the commitments outlined in this MA, as well as leads, current projects and projected sales.

6. INVOICING FOR SERVICES

Vendor shall invoice each Participant for Products and Participant shall disburse payment to Vendor upon receipt of the fully executed PA between Participant and Vendor. The PA is between Vendor and Participant. Ed Tech JPA does not guarantee timely payment.

- B) Added Products are either a direct replacement or are substantially equivalent to original Products listed in the RFP, Vendor's Proposal, the MA and/or any PAs, or added Products are enriched capabilities, new modules, technology advancements, and/or service categories within the Products that Vendor did not have at the time Vendor's Proposal was submitted;
- C) Vendor receives an executed Amendment to the MA;
- D) Vendor receives an executed Amendment to any applicable PA.

8. MINIMUM PRICE GUARANTEE

Vendor agrees not to sell directly, or through a reseller, the Product at a price lower than the price offered in the RFP and this MA to Ed Tech JPA's Eligible Entities located in California

(regardless of whether the Eligible Entity is a Member), including all California public school districts, county offices of education, and community college districts, and any other public agency in California whose procurement rules, whether internal rules or rules enacted pursuant to statute, allow them to purchase goods or services through a procurement vehicle such as Ed Tech JPA.

During the period of delivery under a contract resulting from this RFP, if the price of the Product decreases, Members entering into a new PA shall receive a corresponding decrease in prices on the balance of the deliveries for as long as the lower prices are in effect. Vendor agrees to amend the MA to reflect the decreased pricing. At no time shall the prices charged to Members exceed the prices under which the RFP was awarded. Members shall be given the benefit of any lower prices which may, for comparable quality and delivery, be provided by the Vendor to any other school district or any other state, county, municipal or local government agency in a California County for the Products.

9. EXPENSES.

Ed Tech JPA shall not be liable to Vendor for any costs or expenses paid or incurred by Vendor in providing Products and Services for Ed Tech JPA or Members.

10. COMPLIANCE WITH APPLICABLE LAW

The Products must meet the approval of the Ed Tech JPA and shall be subject to the Ed Tech JPA's general right of inspection to secure the satisfactory completion thereof. Vendor agrees to comply with all federal, state and local laws, rules, regulations and ordinances that are now or may in the future become applicable to Vendor, Vendor's business, the Products, equipment and personnel engaged in Products covered by this MA or accruing out of the performance of such Products. If Vendor performs any work knowing it to be contrary to such laws, ordinances, rules and regulations, Vendor shall bear all costs. The parties acknowledge that for the purposes of the CCPA, Vendor will not (a) retain, use or disclose Member data for any purpose other than for the specific purpose of providing the Products specified in the MA and PA, or (b) sell, rent, release, disclose, disseminate, make available, transfer, or otherwise communicate orally, in writing, or by electronic or other means, Member data to another business or third party for monetary or other valuable consideration. Without in any way limiting the foregoing, the parties agree that Vendor is a "Service Provider" under the California Consumer Privacy Act, Cal. Civ. Code § 1798.100, et seq. & § 1798.140(v) and that nothing about the MA, PA, or the Products involves a "selling" or a "sale" of Member data under Cal. Civ. Code §1798.140(t)(1).

In accordance with the Americans with Disabilities Act of 1990 and section 504 of the Rehabilitation Act, all Products provided under this Agreement shall comply to those applicable rules of the Web Content Accessibility Guidelines ("WCAG 2.0") and such iterations of WCAG as may become applicable during the term of this Agreement.

Vendor shall insure Vendor's activities in connection with the Products under this MA and agrees to carry insurance as specified in the RFP to ensure Vendor's ability to adhere to the indemnification requirements under this MA.

Any general liability policy provided by Vendor hereunder shall contain an endorsement which applies its coverage to Ed Tech JPA, members of Ed Tech JPA 's board of trustees, and the officers, agents, employees and volunteers of Ed Tech JPA, individually and collectively, as additional insureds, using language as set forth below:

Ed Tech JPA, its Board of Trustees, officers, agents, employees, and volunteers are named as additionally insured on this policy pursuant to written contract, agreement, or memorandum of understanding. Vendor agrees to pay Ed Tech JPA an administrative fee (the "Admin Fee") calculated as four percent (4%) of the gross invoiced amount of any Participant agreement with Vendor based on an award under the RFP and all revenue derived directly from any PA, including any additional services, and agreement extensions or renewals. Vendors whose gross sales exceed two million dollars (\$2,000,000.00) each fiscal year ("Threshold") may receive a discount and pay Admin Fees as follows:

Unless otherwise stated herein, the Admin Fee is not refundable to Participants or Vendors under any circumstances. In the event Ed Tech JPA's operating costs increase, the Admin Fee is subject to an increase to offset such increased costs pursuant to authorization by Ed Tech JPA's Board of Directors ("Board"). Any increase shall be communicated to Vendors with no less than thirty (30) days notice from Ed Tech JPA, and Vendor shall be permitted to amend this MA to increase pricing in the attached Exhibit A in direct proportion to the adjusted Admin Fee. THIS LIMITATION OF LIABILITY IS CUMULATIVE AND NOT PER INCIDENT.

9. INDEMNIFICATION

(a) Vendor will defend, indemnify and hold harmless Participant and Ed Tech JPA and their directors, officers, employees, and agents from and against all damages, costs (including reasonable attorneys' fees), judgments and other expenses arising out of or on account of any third party claim: (i) alleging that the product infringes or misappropriates the proprietary or intellectual property rights of such third party, except to the extent that such infringement results from (A) Participant's misuse of the product, (B) Participant modifications to the product, or (C) Participant continuing the allegedly infringing activity after Vendor has provided Participant with modifications that would have avoided the alleged infringement; (ii) that results from the negligence or intentional misconduct of Vendor or its employees or agents; (iii) that results from any breach of any of the representations, warranties or covenants contained herein by Vendor; or (iv) related to a data breach and/or personal injury due to Vendor's recklessness, gross negligence, or intentional conduct. Vendor agrees to notify Ed Tech JPA and Participant in the event of any claim against Vendor alleging intellectual property infringement regarding Products and services listed in the RFP. Vendor agrees to notify Ed Tech JPA of any claims against Vendor by any Participant.

(b) To the extent permitted under applicable law, Participant agrees to defend, indemnify and hold harmless Vendor and Ed Tech JPA and their directors, officers, employees, and agents from and against all damages, costs (including reasonable attorneys' fees), judgments and other expenses arising out of or on account of any third party claim that results from (i) the negligence or intentional misconduct of Participant or its employees or agents or (ii) any breach of any of the representations, warranties or covenants contained herein by Participant.

(c) Ed Tech JPA does not provide assurance or warranty to Vendor or Participant with respect to issues arising under this PA, including Participant's payments to Vendor. Ed Tech JPA will not represent Vendor or Participant in the resolution of disputes arising under this PA.

10. ATTORNEYS' FEES

If any action at law or in equity is brought to enforce or interpret the provisions of this PA, each party shall pay their own attorneys' fees.

11. SEVERABILITY

In the event that any provision of this PA is held invalid or unenforceable by a court of competent jurisdiction, no other provision of this PA will be affected by such holding, and all of the remaining provisions of this PA will continue in full force and effect.

12. TERM & TERMINATION

The term of this PA (the "Term") shall commence on the Effective Date and shall expire after a period of number (#) years. The parties understand that this PA and subsequent extensions may extend for multiple years after the Term of the Master Agreement, upon mutual written consent of both parties, for a term not to exceed five years. The expiration or termination of the MA shall not affect Vendor's obligation to deliver Products as ordered by Participant pursuant to this PA.

Either Party may terminate this PA upon giving of written notice of intention to terminate for cause. Cause shall include: (a) material violation of this PA by the other party; or (b) any act by Vendor exposing the Participant to liability to others for personal injury or property damage; (c) Either party is adjudged a bankrupt, makes a general assignment for the benefit of creditors or a receiver is appointed on account of the party's insolvency or (d) student data breach. Written notice by the terminating party shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made ("Cure Period"), this PA shall, upon the expiration of the Cure Period, cease and terminate. In the event of such termination initiated by Participant due to Vendor's action Vendor shall refund any pre-paid fees to Participant on a prorated basis. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to Participant. Such termination shall be without any obligation or liability to Vendor other than payment of charges for the value of work performed, and for necessary expenditures which can be established by Vendor as having been reasonably incurred prior to the time that notice of termination is given. In no event shall the termination charges exceed the purchase price of the equipment/services. In the event of any termination, Participant shall be entitled to all materials, work in progress, and completed work included as value of work performed and necessary expenditures in determining the charges referred to above and paid by Participant.

Vendor agrees to allow termination of this PA in whole or in part, in the event that Participant does not allocate funding for the continuation of this contract or any portion thereof. In the event of termination due to non-allocation of funds, both parties shall be held without fault and there shall be no financial consequences assessed as a penalty on either party.

15. ASSIGNMENT

Neither party may assign its rights and obligations hereunder, either in whole or in part, whether by operation of law or otherwise, without the prior written consent of the other party, which shall not be unreasonably withheld. Notwithstanding the foregoing, either party may assign this Agreement in its entirety (including all Implementation Plans), without consent of the other party, to its Affiliate or in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets not involving a direct competitor of the other party. Subject to the foregoing, this PA shall bind and inure to the benefit of the parties, their respective successors and permitted assigns. An "Affiliate" for purposes of this Section shall mean any entity which directly controls, is under common control with, or is directly or indirectly controlled by the party seeking to assign its rights and obligations hereunder.

16. COUNTERPARTS

This PA may be signed and delivered in two (2) counterparts, each of which, when so signed and delivered, shall be an original, but such counterparts together shall constitute the one instrument that is the PA, and the PA shall not be binding on any party until all Parties have signed it.

17. AUTHORIZED SIGNATURE

The individual signing this PA warrants that he/she is authorized to do so. The Parties understand and agree that a breach of this warranty shall constitute a breach of the PA and shall entitle the non-breaching party to all appropriate legal and equitable remedies against the breaching party.

18. WARRANTY

Vendor represents to Participant that the Product will substantially perform in all material respects the functions described in Vendor's Proposal when used and/or accessed in accordance with the terms and conditions of this PA.

Participant's sole and exclusive remedy for a breach of this warranty shall be: (1) Vendor shall be required to use commercially reasonable efforts to provide modifications or fixes with respect to the applicable nonconformity in the operation of the Product; or (2) in the event Vendor is unable to correct such deficiencies after good-faith efforts, Vendor shall refund any pre-paid fees to Participant on a prorated basis from the date Vendor received such notice. To receive warranty remedies, Participant must promptly report deficiencies in writing to Vendor within thirty (30) days after the deficiency is identified by Participant. The foregoing warranties shall not apply in the event : (i) Participant or its Users use and/or access the Product in a manner which is not in conformance with the terms and conditions of this PA; (ii) Participant or its Users use the Product with third party data, software or hardware which is incompatible with the Product; (iii) errors in the Product are a result of Participant's or its Users' configuration or manipulation of

the Product, in each case specifically not recommended in writing by Vendor; or (iv) reduced performance or non-availability of the Product result from failure of network connections, or other factors, beyond the reasonable control of Vendor.

Vendor will use commercially reasonable efforts to make the Product available with an annual uptime percentage of at least 99% ("Service Commitment") after the Product has been fully implemented. In the event Vendor does not meet the Service Commitment, Participant will be eligible to receive a service credit as described herein. The maximum amount of the credit is one twelfth (1/12) of the annual subscription fee for a twelve (12) month period. The service credit is calculated by taking the number of hours the Product was unavailable below the Service Commitment, and multiplying it by three percent (3%) of one twelfth (1/12) the annual subscription fee. If the Participant has been using the Product for less than one year, the preceding one year will be used with any days prior to Participant's use of the Product deemed to have had 100% availability. Any unavailability occurring prior to a credit cannot be used for any future claims. The Service Commitment does not apply to any scheduled outages, standard maintenance windows, force majeure, and outages that result from any technology issue not originating from Vendor. Any service credit shall be calculated using solely the fees paid for the Product. Participant's sole and exclusive remedy for breach of the Service Commitment in this Section will be for Vendor to provide a credit as provided in this Section; provided that Participant notifies Vendor in writing of such claim within thirty (30) days of becoming eligible for such claim.

Without in any way limiting the foregoing, the parties agree that Contractor is a "Service Provider" under the California Consumer Privacy Act, Cal. Civ. Code § 1798.100, et seq. & § 1798.140(v) and that nothing about the Agreement or the Services involves a "selling" or a "sale" of Customer Data under Cal. Civ. Code §1798.140(t)(1).

20. SURVIVAL

The parties' respective obligations under the following sections of this PA shall survive any termination of this PA: Sections 9 through 14, covering Indemnification, Attorneys' Fees, Severability, Term & Termination, Governing Law, and Notices and section 19 covering data privacy.

21. EXHIBITS

This PA includes all documents referenced herein, whether attached hereto or otherwise incorporated by reference.

22. ENTIRE AGREEMENT AND ORDER OF PRECEDENCE.

The RFP, Vendor's Proposal in response to the RFP, the MA, and this PA are the entire agreement between the parties and supersede all prior and contemporaneous agreements, proposals, or representations, written or oral, concerning its subject matter. No modification, amendment, or waiver of any provision of this PA will be effective unless in writing and signed by both parties. Notwithstanding any language to the contrary therein, no Vendor terms or conditions stated in Vendor's Proposal, an invoice, or in any other documentation, will be incorporated into or form any part of this PA, and all such terms or conditions will be void. In the event of any conflict or inconsistency among the following documents, the order of precedence shall be: (1) any exhibit, schedule, or addendum to the MA; (2) the MA; (3) any exhibit, schedule, or addendum to this PA; (4) the body of this PA; (5) Vendor's Proposal; and (6) the RFP.

23. INDEPENDENT CONTRACTOR

Vendor, in the performance of this PA, shall be and function as an independent contractor. Vendor understands and agrees that it and all of its employees shall not be considered officers, employees, or agents of the Participant, and are not entitled to benefits of any kind or nature normally provided employees of the Participant and/or to which Participant's employees are normally entitled, including, but not limited to, State Unemployment Compensation or Workers' Compensation. Vendor assumes the full responsibility for the acts and/or omissions of its employees or agents as they relate to the Products to be provided under this PA. Vendor shall assume full responsibility for payment of all federal, state, and local taxes or contributions, including unemployment insurance, social security, and income taxes with respect to Vendor's employees.

24. FORCE MAJEURE

Neither party shall be deemed to be in violation of this PA if either is prevented from performing any of its obligations hereunder for any reason beyond its reasonable control, including but not limited to acts of God, natural disasters, earthquake, fire, flood, strikes, civil commotion, labor disputes, war, terrorism, infectious disease, and pandemics. If such an event continues for sixty (60) or more days, either party may terminate this PA by providing a written notification and shall not be liable to the other for failure to perform its obligation and any deposits or Vendor shall refund any pre-paid fees to Participant on a prorated basis.

25. COUNTERPARTS

This PA may be signed and delivered in two (2) counterparts, each of which, when so signed and delivered, shall be an original, but such counterparts together shall constitute the one instrument that is the PA, and the PA shall not be binding on any party until all parties have signed it.

26. AUTHORIZED SIGNATURES

The individual signing this PA warrants that he/she is authorized to do so. The parties understand and agree that a breach of this warranty shall constitute a breach of the PA and shall entitle the non-breaching party to all appropriate legal and equitable remedies against the
