

Request for Information No. IV
RFP No. 22/23-03 Learning Management Solution
June 27, 2023

Response to Proposers' Questions

4.1 **Question:** We would like to RSVP to submit a proposal for the Learning Management Solutions RFP. Please let us know if there is any other information you need from us at this time. Thank you.

Answer: We thank vendors for notifying Ed Tech JPA about interest in the procurement. All interested vendors may respond by the published due date and no RSVP is necessary to submit a proposal.

4.2 **Question:** Will Ed Tech JPA accept electronic signatures on the forms, such as through DocuSign? Or must forms have ink signatures on them?

Answer: Ed Tech JPA is happy to accept electronic signatures on RFP documents and any resulting agreements.

Some Ed Tech JPA members may require hand written signatures. Awarded vendors may work with members when they elect to purchase to determine their specific needs. For example, Irvine USD requires either hand written or DocuSign signatures on Purchase Agreements with vendors they are purchasing from.
