1.0 Background and Overview

1.1 Overview

The Ed Tech JPA, a California Joint Powers Authority (Ed Tech JPA), invites qualified, experienced vendors (Vendors) to submit responsive proposals (Responses, Proposals, or Proposal Forms) in compliance with the specifications contained in this Request for Proposals (RFP). This RFP is for social and emotional learning assessment systems, although ancillary services may be included in the provision of these items. Installation services may be requested via this RFP. Selection for award(s), if any, will go to the Vendor(s) who submit Responses that Ed Tech JPA determines to be most advantageous to Ed Tech JPA and the entities it represents. **Products offered by the Vendor(s) selected for the award of a Master Agreement will be available for purchase by all California public agencies.**

In addition to reviewing proposals for Ed Tech JPA, the initiating agency, Irvine Unified School District, has an immediate need for the product. The initiating district will review proposals to determine a Vendor best suited to provide the product for its own needs and anticipates entering into a Purchase Agreement for the product following execution of the Master Agreement awarded pursuant to this RFP.

1.2 Joint Powers Authorities

Pursuant to the California Joint Exercise of Powers Act, a JPA may be created in California when two or more local government entities enter into an agreement to exercise jointly any power common to the contracting parties. JPAs are frequently used to aggregate expertise and purchasing power for procurement, as in the case of insurance or utilities services. JPAs can be given any of the powers inherent in the participating members, as specified in a joint powers agreement.

1.3 Ed Tech JPA

Ed Tech JPA is a JPA duly formed and existing under the California Joint Exercise of Powers Act. Ed Tech JPA was formed to aggregate purchasing power and expertise for public agency members across the state of California. This RFP is issued on behalf of Ed Tech JPA's membership. A list of current Ed Tech JPA members is available on the JPA's website: <https://edtechjpa.iusd.org/about/our-ed-tech-jpa-members> .

1.4 Requested Services

This solicitation is intended to provide a mechanism for Ed Tech JPA members to procure new or upgraded software and services to support social and emotional learning assessment systems. Ed Tech JPA members seek state-of-the-art social and emotional learning assessment systems (hereinafter referred to as "Product" or "Solution") to meet the needs of varied facilities and programs, in a variety of environments. Ed Tech JPA is soliciting qualified

service vendors, (hereinafter referred to as “Vendor”, “Contractor” or “Provider”) for a variety of solutions to meet its membership needs. Vendor shall submit a proposal for the purchase, implementation and ongoing services for a social and emotional learning assessment system.

1.5 Eligible Entities and Participants

The pricing, terms, and conditions of any award pursuant to this RFP will be made available to current Ed Tech JPA members and to other “Eligible Entities” who elect to join the Ed Tech JPA. For purposes of this RFP, Eligible Entities are: (a) all California public school districts, county offices of education, and community college districts, and (b) any other public agency in the United States whose procurement rules, whether internal rules or rules enacted pursuant to statute, allow them to purchase goods or services through a procurement vehicle such as Ed Tech JPA.

For purposes of this RFP, a “Participant” or “Participating Associate Member” is an Eligible Entity who chooses to purchase items through this RFP. Eligible Entities must first become Associate Members of the JPA by entering into an Associate Member Agreement, and thereafter may elect to become Participants of a Master Agreement by entering into a Purchase Agreement with a vendor. Founding Members of Ed Tech JPA may be a Participant without entering into an Associate Member Agreement.

Notwithstanding the purchase anticipated by the initiating district stated above, an award issued pursuant to this RFP does not represent an obligation by Ed Tech JPA, or by any Eligible Entity, to purchase items. Although a Master Agreement awarded under this RFP does not guarantee a particular level of sales as a result of that Master Agreement, Ed Tech JPA’s mission to meet the procurement needs of our program participants indicates that a Vendor who is committed to this program will achieve success in its sales efforts.

1.6 Master Agreement

Pursuant to Public Contracts Code 20118.2 and Government Code 6500 and 6502, Ed Tech JPA (on behalf of membership) is issuing this RFP for the Solution. Ed Tech JPA will evaluate proposals and all vendors that meet minimum criteria/score will enter into a Master Agreement with Ed Tech JPA, setting forth the general terms for purchase of the Product. A sample Master Agreement is attached in Appendix A.

After a Master Agreement has been established, the Vendor’s proposed product and services will be listed on the Ed Tech JPA website. Ed Tech JPA will also include procurement instructions and contract documentation for Founding Members and Associate Members on its website. Details of the procurement process and administrative fee payment will be reviewed with Vendor finalists upon award. All participating Vendors must comply with Ed Tech JPA’s order fulfillment process to insure compatibility with all legal and regulatory requirements, Ed Tech JPA member needs, and Vendor’s practices.

Each Participating Associate Member is responsible for (a) completing their own due diligence regarding the suitability of Vendor, including using price as a significant factor, (b) prior to executing a Purchase Agreement, Associate Members/Founding Members will work with Vendor to establish an Implementation Plan with the Participating Associate Member, as further described in Section 2.2.

Awarded Vendors will also negotiate a Purchase Agreement to be executed when a Participating Associate Member elects to purchase the Solution. Prior to executing a Purchase Agreement with a Participating Associate Member, Vendor will establish an implementation timeline and implementation plan specific to the Participating Associate Member's needs, as further described in Section 2. An Associate Member/Founding Member is not bound to a purchase until it has obtained approval from its Board and executed a Purchase Agreement with the Vendor for the Solution.

Vendors must report to Ed Tech JPA any sales of products included in the Master Agreement to Associate Member Agencies, regardless of whether those agencies used the Ed Tech JPA Master Agreement, excluding renewals of pre-existing contracts. Reports must be submitted for the Quarters and within the timeline outlined in section 1.14 of this RFP and in section 15.B. of the sample Master Agreement attached hereto as Appendix A. Vendors must remit a copy of all Purchase Agreements, including renewals and amendments, to Ed Tech JPA within 30 days of request by Ed Tech JPA. Vendors participating in this RFP agree to a standing audit by the Ed Tech JPA for all products included in the Master Agreement.

1.7 Period of Performance

The term of the Master Agreement resulting from this RFP shall be three (3) years. The Master Agreement may be extended for up to two additional one (1) year terms beyond the original term, for a total of up to five (5) years. Purchase Agreements entered into by Participating Associate Members and Vendor shall be subject to a maximum contract length of 5 years, or may be shorter, as the parties elect.

The parties understand that Participants ordering Products pursuant to the Master Agreement may extend for multiple years after the Term of the Master Agreement. The expiration or termination of the Master Agreement shall not affect Vendor's obligation to deliver Products ordered by Participants before the expiration of the Master Agreement.

1.8 Reservation of Rights

Ed Tech JPA reserves the right to award all, none, or select portions of this RFP to one or multiple vendors. Ed Tech JPA reserves the right to negotiate terms and conditions of the RFP as necessary, to reject any or all proposals, to increase quantities, and to waive any irregularities or informalities in the RFP or in this process.

Ed Tech JPA reserves the right to modify the RFP documents, or any portion thereof, by the issuance of written addenda posted on the Ed Tech JPA website. In the event Ed Tech JPA shall modify any portion of the RFP documents pursuant to the foregoing, the proposal submitted by any Vendor shall be deemed to include any and all modifications reflected in any addenda issued.

Ed Tech JPA reserves the right to conduct a background inquiry of the selected Vendor(s) which may include collection of contractual and business associations and practices, employment histories and reputation in the business community. By submitting a proposal, Vendor consents to such an inquiry and agrees to make available such books and records deemed necessary to conduct the inquiry.

Ed Tech JPA reserves the right to award multiple Master Agreements for each classification of Products listed in this RFP as deemed to be in the best interest of Ed Tech JPA and its Associate Members and Founding Members and has determined that awards to more than one supplier for comparable goods and services at various prices may best meet the needs of Participants.

Ed Tech JPA shall have the right to negotiate any and all of the final terms and conditions of any Master Agreement with Vendor and nothing in this RFP or any Response shall be deemed or construed as a limitation of such rights.

This RFP is solely a solicitation for Proposals. Neither this RFP, nor any response to this RFP shall be deemed or construed to: (i) create any contractual relationship between Ed Tech JPA and any Vendor; (ii) create any obligation for Ed Tech JPA or its Members to enter into a contract with any firm or other party; or (iii) serve as the basis for a claim for reimbursement for costs associated with submittal of any Proposal.

PROVISIONS REQUIRED BY LAW: VENDOR acknowledges that it has conducted and performed the required research to become aware and knowledgeable of all federal, state and local laws/statutes that are referenced herein, may pertain to and/or govern the procurement activities and transactions covered by this RFP. These provisions of law and any clause required by law that is associated with and relates to this RFP and any resulting contract will be read and enforced as though it were included herein.

1.9 Data Privacy Compliance

Vendors' products and services must be fully compliant with all applicable requirements including all state and federal laws. Vendors will be required to execute the most recent version of the Standard Student Data Privacy Agreement CA-NDPA (CA-NDPA). A copy of the CA-NDPA is attached hereto in Appendix E.

1.10 Indemnification

Vendor will indemnify, defend and hold harmless Ed Tech JPA, its agents, employees and assigns, including independent contractors, and any Participant contracting with Vendor (Indemnified Parties) from any and all claims, demands, suits, proceedings, loss, cost and damages of every kind and description, including any attorney’s fees and/or litigation expenses, which might be brought or made against or incurred by Indemnified Parties on account of loss or damage to any property or for injuries to or death of any person, caused by, arising out of, or contributed to, in whole or in part, by reasons of any act, omission, professional error, fault, mistake, or negligence of Vendor, its employees, agents, representatives, or subcontractors, their employees, agents, or representatives in connection with or incident to this RFP, or arising out of worker’s compensation claims, unemployment compensation claims, or unemployment disability compensation claims of employees of the Vendor, and/or its subcontractors or claims under similar such laws or obligations. Vendor’s obligation under this section will not extend to any liability caused by the sole negligence of Indemnified Parties.

1.11 Special Note on Vendor Pricing

Pricing proposed on a sliding scale, “menu” format, or varying by tiers is highly recommended and encouraged to provide Participants with purchasing options.

1.12 Ed Tech JPA Administrative Fee

Vendor agrees to pay Ed Tech JPA an administrative fee (the “Administrative Fee”) calculated as four percent (4%) of the gross invoiced amount of any Purchase Agreement with Vendor based on an award under the RFP and all revenue derived directly from any Purchase Agreement, including any Additional Services, or agreement extensions or renewals. Vendors whose gross sales exceed two million dollars (\$2,000,000.00) each fiscal year may receive a discount and pay Administrative Fees as follows:

Sales Amount*	Administrative Fee**
\$2,000,000.00 - \$3,999,999.99	3.5%
\$4,000,000.00 and above	3%

*The fiscal year term is July 1 - June 30.

**Sales are the annual gross amount invoiced of any Participant Agreement with VENDOR based on an award under the RFP and all revenue derived directly from any Participant Agreement, including any Additional Services, or agreement extensions or renewals.

***Any discounted Administrative Fee shall be applied to Sales in the quarter after the minimum threshold has been met. Discounted Administrative Fees shall revert to four percent (4%) after the minimum threshold is no longer met.

Computations of the Administrative Fee shall exclude state, local, or federal taxes levied on invoiced amounts. The Administrative Fee must be included when determining the pricing

offered. The Administrative Fee is not negotiable and shall not be added as a separate line item on invoices. The Administrative Fee is not refundable to Participants or Vendors under any circumstances. In the event Ed Tech JPA’s operating costs increase, the Administrative Fee is subject to increase to offset such increased costs. Vendor will be permitted to adjust Product pricing in direct proportion to such increase, as further explained in the Master Agreement. Vendors are not responsible for paying an Administrative Fee for purchases made by existing customers that do not use the Ed Tech JPA contract in any manner and whose contracts do not rely on any competitive procurement performed by Ed Tech JPA.

1.13 Minimum Price Guarantee

To prevent underpricing and protect seller Margin, Vendor’s pricing shall be subject to a Minimum Price Guarantee (MPG), whereby, Vendor shall agree not to sell directly, or through a reseller, the Product(s) subject to the Master Agreement at a price lower than the price offered pursuant to the RFP and the Master Agreement to Ed Tech JPA’s Eligible Entities (regardless of whether the Eligible Entity is an Associate Member of the Ed Tech JPA). Eligible Entities include all California public school districts, county offices of education, and community college districts, and any other public agency in California whose procurement rules, whether internal rules or rules enacted pursuant to statute, allow them to purchase goods or services through a procurement vehicle such as Ed Tech JPA.

During the period of delivery under a contract resulting from this RFP, if the price of an item decreases, Ed Tech JPA Participating Associate Members shall receive a corresponding decrease in prices on the balance of the deliveries for as long as the lower prices are in effect. Vendor agrees to amend the Master Agreement to reflect the decreased pricing. At no time shall the prices charged to Ed Tech JPA Participating Associate Members exceed the prices under which the RFP was awarded. Ed Tech JPA Participating Associate Members shall be given the benefit of any lower prices which may, for comparable quality and delivery, be given by the Vendor to any other school district or any other state, county, municipal or local government agency in a California County for the product(s) listed in the RFP.

1.14 Usage Reporting Requirement

Upon contract award pursuant to this RFP, all Vendors will be required to provide quarterly usage reports to Ed Tech JPA or designee. The initiation and submission of the quarterly reports are the responsibility of the Vendor. Ed Tech JPA is not required to provide prompting or notification. Vendor is responsible to collect and report all sales data including resellers and partners sales associated with the Master Agreement. Quarterly reports must coincide with the quarters in the fiscal year as outlined below:

Reporting Period	Due Date
January 1 - March 31	April 30

April 1 - June 30	July 31
July 1 - September 30	October 31
October 1 - December 31	January 31

Vendors must identify the person responsible for providing the mandatory usage reports. This contact information must be kept current during the Master Agreement period. Ed Tech JPA must be notified if the contact information changes.

The purpose of the Master Agreement usage-reporting requirement is to aid in Master Agreement management. The specific report content, scope, and formal requirements will be provided to the awarded Vendors during Master Agreement execution. Failure to comply with this requirement may result in Master Agreement cancellation.

To enable the Participating Associate Member to make a timely determination as to suitability, within fourteen (14) days of Participating Associate Member's contact with Vendor, the selected Vendor shall provide the Participating Associate Member with a project plan that details the proposed implementation approach and timeline for the product ("Implementation Plan"). The Implementation Plan shall, at a minimum, include infrastructure and data integration, testing, content creation, training and post-implementation support and project evaluation.

Ed Tech JPA may make awards to multiple vendors. All proposals received in response to this RFP will receive a fair and impartial evaluation by the Ed Tech JPA. In conducting this evaluation, Ed Tech JPA and Associate Members may obtain and use information, in addition to that contained in the proposals, from any source desired. Customers on each Vendor's reference list may be contacted, as may other customers selected by the Ed Tech JPA and listed by Vendor as a reference.

Ed Tech JPA shall make its evaluation in its sole discretion and its decision to award a Master Agreement(s) shall be final. Thereafter, Founding Members and Associate Members electing to purchase pursuant to an awarded Master Agreement shall use their discretion in evaluating and selecting a product. The Public Contracts Code section 20118.2 shall guide both the Ed Tech JPA's evaluation of proposals and Master Agreement negotiations, as well as Eligible Entities' selection of vendor, and Purchase Agreement negotiations associated with this Request for Proposals.

ED TECH JPA MASTER AGREEMENT: [Product/RFP]

This Master Agreement (“MA”), is made as of **DATE** (“Effective Date”), by and between the Education Technology Joint Powers Authority (“ED TECH JPA”) and **[INSERT]** (“VENDOR”).

BACKGROUND

A. Education Technology JPA is a Joint Powers Authority formed by California public school districts, county offices of education, and community college districts pursuant to California Government Code Sections 6500-6536. ED TECH JPA aggregates purchasing power and expertise for its Associate Members across California.

B. ED TECH JPA establishes its contracts for products and services through the following process:

1. On **[DATE]**, ED TECH JPA issued a Request for Proposal for **[PRODUCT]** (the “RFP”) on behalf of ED TECH JPA members. ED TECH JPA invited qualified vendors to submit pricing products and services in response to the RFP.
2. ED TECH JPA published the RFP on its Website and in a local periodical:
3. ED TECH JPA received one or more responses to the RFP. ED TECH JPA evaluated all responses which complied with the terms of the RFP, using the following criteria: Functionality and Usability, Vendor Support and Ability to Perform, Price, and Technology Requirements.
4. ED TECH JPA selected VENDOR for an award under the RFP for **specified products and services** (the “Products”). The parties are entering this Master Agreement (“MA”) to evidence the terms and conditions of that award.

AGREEMENT

Now, therefore, for good and valuable consideration, the parties agree as follows.

1. GRANT AND ACCEPTANCE OF AWARD

ED TECH JPA awards this MA to VENDOR under the RFP with respect to the products or services (“Products”) at the prices listed in Exhibit A. VENDOR accepts the award and confirms VENDOR’s acceptance of all terms and conditions of the RFP, which are incorporated herein by this reference. This MA includes the services and pricing offered in VENDOR’s RFP response, as identified in Appendix C, Pricing Form. Prices will remain valid for all Participating Associate Members of ED TECH JPA through the expiration of the MA.

2. TERM

The term of this MA (the “Term”) shall commence on the Effective Date and shall expire after a period of **three (3)** years. The MA may be extended for up to two additional one (1) year terms beyond the original term, for a total of up to five (5) years. The parties understand that Participants may order Products under this MA to be delivered after the Term of this MA; in

some cases, Products may be delivered over multiple years after the Term. The expiration or termination of this MA shall not affect VENDOR's obligation to deliver Products as ordered by Participants during the Term.

3. PARTICIPANTS

The pricing, terms, and conditions of this MA will be made available to ED TECH JPA Founding Members, Associate Members and to other "Eligible Entities" who elect to become Associate Members of the ED TECH JPA. Eligible Entities are all California public school districts, county offices of education, and community college districts, and any other public agency in the United States whose procurement rules, whether internal rules or rules enacted pursuant to statute, allow them to purchase Products through a procurement vehicle such as ED TECH JPA. A "Participant" or "Participating Associate Member" is an Eligible Entity who chooses to purchase items through this MA, including Associate Members and Founding Members.

VENDOR acknowledges that each Participant is responsible for (a) completing their own due diligence regarding the suitability of VENDOR and Products for Participant's needs, (b) entering into one or more Purchase Agreements with VENDOR to document the quantities, total costs, and delivery terms for Products, (c) and coordinating implementation of Products with VENDOR. VENDOR is not under any contractual obligation to provide Products to Participants until such time as both a MA and a Purchase Agreement have been fully executed. The RFP was conducted for the limited purposes specified in the RFP. ED TECH JPA does not provide assurance or warranty to VENDOR with respect to other issues, including Participant's payments to VENDOR. ED TECH JPA will not assist in implementation or represent VENDOR in the resolution of disputes with Participants.

4. PURCHASE AGREEMENTS

Participating Associate Members may browse products in the JPA website. Prior to executing the Purchase Agreement ("PA"), Associate Members will work with a VENDOR representative to determine the VENDOR implementation timeline and implementation plan ("Implementation Plan") as further described in Section 2.2 of the RFP. To confirm Participant's request to buy Products using the RFP, Participant and VENDOR must complete and execute a Purchase Agreement ("PA") for the specific Products and provide that PA to ED TECH JPA. The PA is included herein in this Appendix A for reference.

The PA will contain a general description of the Products ordered, contact information for VENDOR and Participant related to purchase and sale of the Products, and an acknowledgement that the purchase is subject to the terms of the RFP and this MA. Participant and VENDOR may agree on contingencies, such as timing contingencies, applicable to delivery of Products.

A completed PA must be presented to ED TECH JPA no later than sixty (60) days after Participant and VENDOR reach agreement on the Implementation Plan. ED TECH JPA will

accept timely submitted and properly completed PAs, and thereafter, VENDOR will work directly with a Participating Associate Member to fulfil the order according to the parties' agreed-upon Implementation Plan. ED TECH JPA is not responsible to verify payment to vendor.

5. PROGRAM PROMOTION

It is in the interest of both parties that VENDOR will promote and support ED TECH JPA Master Agreements using methods that best suit the VENDOR's business model, organization, and market approach. ED TECH JPA specifically desires VENDOR to generate interest in the MA, and direct its existing clients who are Eligible Entities to use its MA as VENDOR's preferred form of contracting with Eligible Entities.

VENDOR may be asked to participate with ED TECH JPA staff in related trade shows, conferences, and online presentation to promote the MA. ED TECH JPA will promote MAs through the creation of marketing materials, as well as active outreach to its constituents.

VENDOR agrees that all sales will be accurately and timely reported to ED TECH JPA. During the period of delivery under a contract resulting from this RFP, if the price of an item decreases, Ed Tech JPA Participating Associate Members shall receive a corresponding decrease in prices on the balance of the deliveries for as long as the lower prices are in effect. Vendor agrees to amend the Master Agreement to reflect the decreased pricing. At no time shall the prices charged to Ed Tech JPA Participating Associate Members exceed the prices under which the RFP was awarded. Ed Tech JPA Participating Associate Members shall be given the benefit of any lower prices which may, for comparable quality and delivery, be given by the Vendor to any other school district or any other state, county, municipal or local government agency in a California County for the product(s) listed in the RFP.

In the event ED TECH JPA’s operating costs increase, the Administrative Fee is subject to an increase to offset such increased costs. Any increase shall be authorized by Ed Tech JPA’s Board of Directors (“Board”) and shall take effect on the day approved by the Board. Any increase shall be communicated to Vendors with no less than thirty (30) days notice from ED TECH JPA, and VENDOR shall be permitted to amend this MA to increase pricing in the attached Exhibit A in direct proportion to the adjusted Administrative Fee.
